### **BJRU U15 Representative Team 2008**

This year the QJRU, in conjunction with the NSWJRU have arranged for an U15 BJRU representative team to play against an U15 NSW representative team on Sunday 21<sup>st</sup> September, 2008. This will be an opportunity for boys playing in the Brisbane based teams playing in the QJRU state titles to present for the next challenge in representative honours.

The BJRU Under 15 team will be selected at the QR State Championships with the 22 member squad being named on the final day at Ballymore.

To be eligible for selection a player **MUST** be a registered Brisbane junior rugby player and have been selected as a member of one of the teams attending the QR State Championships.

*Note – if a squad member from one of the affiliate teams is injured prior to the QR State Champs they may be considered as a shadow player.*

This is a fully funded representative team with kit costs will be paid for by the QJRU.

We are seeking expressions of interest for suitably qualified Selectors (x3), Coach, Assistant Coach, Manager and Trainers positions.

Important Notes:
